This house was occupied by my Grandparents for years. My grandfather passed away in _____ and my Grandmother continued to live there until her death in April 2018. The house has been vacant since that time. A few weeks after my Grandmother's passing the roof had some hail damage due to a storm. We immediately had a crew come and put all new shingles on. This is the only damage to the property that I am aware of at this time.

Section D-4a

When my Grandmother was living there the underground sprinklers were working. We haven't checked them since.
