

An aerial photograph of a rural property. A red line outlines the property boundary, which is approximately 27.2 acres. A yellow highlight is on the top-left boundary. A blue stream flows through the property from the bottom-left towards the top-right. A white text box in the upper-middle says "Approx 27.2 Ac". Another white text box in the bottom-left says "Lot lines are approximate and subject to survey".

Approx 27.2 Ac

Lot lines are approximate  
and subject to survey
